

Dear Exhibitors,

**Some of our exhibitors have been fraudulently
targeted by companies offering directory services**

DO NOT UNDER ANY CIRCUMSTANCES SIGN ANY FORMS FROM THEM

A variety of companies with names such as **International Fairs Directory / Expo Guide / FairGuide.com / Construct Data Verlag**, target exhibitors with illegitimate exhibition guides.

They claim to offer online listing services. They use a form which resembles an organiser's free catalogue listing service, inviting exhibitors to complete the form for an entry in an on-line directory. Unsuspecting exhibitors who sign and return the form are then contracted into a three-year, non-retractable agreement, which could cost you a significant amount of money, with no foreseeable benefits.

These publications have no connection with us or any of our events. We strongly advise our exhibitors, and the entire exhibition community, **to be most vigilant against this and similar organisations.** The advice of UFI, the Global Association of the Exhibition Industry, is to ignore them completely and not to communicate with them in any way.
